ABOUT CAPTAIN JD

As a Captain, my focus is providing an experience for the Owners/guests that I would enjoy myself. I strive to keep things active and exciting, by incorporating the whole variety of water sports and ocean skills that I enjoy.

A balance of ensuring a safe and efficiently running vessel with a focus towards hospitality and recreation is the best foundation for a fun and exciting yacht.

I am looking forward to a short, seasonal, or long-term position with a great program where I can use my well rounded ocean experience to bring unique value to the yacht. Also seeking yacht delivery work, worldwide.
